P-I and **P-II**, individually referred to as a **P-I or P-II** and collectively referred to as the **PARTIES**, hereby agree to enter into this Work Agreement (WA), under the terms and conditions set forth in the following Articles:

ARTICLE I
SCOPE OF WORK

P-II shall carry out work as a **TESTER** for the **UI/UX A/B Testing project** under the **Research and Development** team in accordance with the requirements determined by **P-I.**

ARTICLE II
TERM OF WORK

(1) This Agreement shall apply to the implementation of project-based work with a completion period of **3 (three) days**, starting from **May 8, 2026 until May 10, 2026.**
(2) P-I assigns tasks to **P-II** in the form of a take-home assignment, which may be carried out independently by **P-II** without being bound to specific working hours, while still observing the predetermined deadline.
(3) **P-II** is obliged to complete, submit, and report the results of the work in accordance with the scope and standards set by **P-I** no later than the end of the period as referred to in paragraph (1).
(4) **P-II** shall be directly responsible and under the supervision of **PT. Pena Teknologi Indonesia** and/or other parties who are clients or affiliates of **PT. Pena Teknologi Indonesia**, hereinafter referred to as the Supervisor where **P-II** is assigned. Considering that **PT. Pena Teknologi Indonesia** is in a 'start-up' phase, initiative and professionalism from **P-II** are highly expected.

ARTICLE III
SERVICE FEE

(1) Payment of the Service Fee shall be carried out after the assignment has been completed or no later than the 25th, following the payroll date of **PT. Pena Teknologi Indonesia** employees.
(2) Payment of the Service Fee shall be made by **P-I** via bank transfer to the account of **P-II** as previously provided.
(3) **P-II** agrees to receive payment for the services from **P-I** in accordance with the scope of cooperation as follows:

SERVICE FEE	**$11/hour**

ARTICLE IV
CONFIDENTIALITY AND RELATIONSHIP WITH THE COMPANY'S BUSINESS PARTNERS

(1) **P-II** is not permitted to carry out any form of documentation while conducting testing projects of PT. Pena Teknologi Indonesia.

(2) *Confidential Information* refers to all information including, but not limited to, trade secrets, know-how, intellectual property rights, and any other confidential matters.

(3) The term referred to in paragraph (1) of this Article includes, but is not limited to, Products, Inventions, Ideas, Concepts, Specifications, Daily Reports, Documentation, and any other matters related to the Company.

(4) **P-II** understands that during the course of the assignment with the Company, **P-II** will have or has obtained access to Confidential Information relating either to the Company's business or to information belonging to third parties, including but not limited to vendors or other parties directly or indirectly affiliated with the Company.

(5) **P-II** agrees and legally binds themselves, both during and after the termination of this Agreement, not to, without the prior written consent of **P-I**, whether directly or indirectly, verbally or in writing, perform any of the following actions:

   a. Copying, sharing, disclosing, reporting, distributing, transferring, or leaking any Confidential Information to any person or party.

   b. Using any Confidential Information for any purpose or in any manner that could harm the Company or is inconsistent with the Company's policies.

(6) **P-II** acknowledges that *Confidential Information* includes, but is not limited to:

   a. All provisions and conditions contained in this Employment Agreement.

   b. Materials, trade secrets, products, prices, services, clients, network designs, data communications, software code, identity, location, financial data, business or strategic plans, personal data, formulas, processes, algorithms, concepts, strategies, inventions, configurations, network architecture, flowcharts, designs, drawings, proprietary information, business and marketing plans, financial and operational data, methodologies, databases, source code, documentation, know-how, consumer data belonging to **P-I**, and all other non-public business and operational information or data owned by **P-I**.

   c. Confidential Information may exist in any form, including but not limited to written, oral, visual, audio, digital, or recorded formats.

(7) **P-II** shall take all reasonable preventive measures necessary to maintain confidentiality and prevent further disclosure of Confidential Information to any unauthorized third party, both during and after the termination of cooperation between **P-II** and the Company.

(8) To preserve the integrity and business interests of the Company, employees are prohibited, whether directly or indirectly, from working for, providing services to, or engaging as a permanent employee, contractor, or consultant with any client company that collaborates with **PT Pena Teknologi Indonesia** and/or its competitors for a period of one (1) year from the date of resignation, without prior written approval from the Company.

(9) In the event that **P-II** violates any provision of this Article, resulting in legal action by the Company, the final decision of the competent Court of Law shall be binding.

(10) All works, data, or results produced by **P-II** during the engagement with **P-I** shall remain the sole property of **P-I**.

ARTICLE V
MAJOR VIOLATIONS AND MISUSE OF COMPANY ASSESTS AND INFORMATION

(1) **P-II** is prohibited from engaging in any actions that may constitute serious misconduct or a criminal act under applicable laws, including but not limited to theft, embezzlement, data manipulation, destruction, or misuse of Company property or digital assets.

(2) **P-II** is not permitted to access, copy, download, store, or use any Company data, documents, or systems without prior written authorization from **P-I**, whether for personal purposes or for the benefit of any third party.

a. **P-II** is strictly prohibited from distributing, selling, leaking, transmitting, or disclosing any Company data, systems, or confidential information to any unauthorized party, including competitors or any individual or entity that may harm the Company's interests.

b. In the event that **P-II** is proven to have committed any violations as stated in paragraphs (1) through (3), the Company shall have the right to:

- Terminate this Agreement immediately and unilaterally, without any compensation or severance payment.
- Seek compensation for material and immaterial losses incurred by the Company.
- Report the violation to the competent legal authorities in the relevant jurisdiction for further legal action.

(3) The provisions of this Article shall be governed and interpreted in accordance with the laws of the Republic of Indonesia, unless otherwise stipulated in the governing law clause of this Agreement. For reference, these provisions are consistent with applicable criminal and data protection laws, including but not limited to:
- The Indonesian Penal Code (KUHP), particularly Articles 362, 374, and 406.
- Law No. 11 of 2008 on Electronic Information and Transactions (ITE Law) as amended by Law No. 19 of 2016, governing illegal access, data theft, and unauthorized use of confidential information.

(4) Should such violations result in any financial, reputational, or legal damages to the Company or its affiliates, P-II shall be fully liable for all resulting losses, including but not limited to legal, investigative, and enforcement costs.

ARTICLE VI
MICELLANEOUS PROVISIONS

(1) Any amendments and/or additions to this Agreement may only be made upon mutual agreement of the Parties.
(2) Any amendments and/or additions shall be set forth in writing in an Addendum or Amendment forming an integral part of this Agreement.
(3) Written agreements via short messages and email may be taken into consideration in this Agreement.
(4) This Agreement shall be valid for a minimum of one year from the date of signing.

Thus, this Agreement is made and signed by the **PARTIES** in Jakarta on the day, date, month, and year as stated above, in 2 (two) originals of equal legal force, 1 (one) for **P-I** and 1 (one) for **P-II**.
